

The Official Government Partner of the

# INNOVATION PNG 2023 CONFERENCE

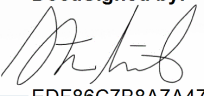

The Department of Information and Communications Technology is the major Government Partner to the Innovation Summit, promoting Public Private Partnership.

This conference will provide the opportunity for PNG's private sector players and government to collaborate, be inspired and engage with the best innovators from PNG and overseas to drive the economic growth.

The conference will be hosted at the APEC Haus, Port Moresby from the 9th - 10th of November, 2023.
